REPORT OF THE SELECTMEN

The Town of Jaffrey is growing at a slow, but steady pace, and with that growth there is also a growing increase in both Town and School operating expenses. During the past year approximately sixteen new houses were built in this Town. This of course, means an increase in assessed valuations for tax purposes, but on the other hand, it also means increases in cost of various services which the taxpayer must pay.

As Selectmen of the Town of Jaffrey, we believe that the taxpayers money has been spent wisely and cautiously. We have tried to keep within the appropriations provided for in the Town Budget, and with few exceptions were able to do so.

Comparing the 1956 and 1957 Town Budgets, we wish to call your attention to the fact that was an increase of only \$929.00 in town expenses over the previous year's. In view of the mounting costs of operating municipal governments, we believe that this increase was negligible.

We also wish to bring to the attention of the taxpayers, the drop in the tax rate during the past year, and the reason for this. There was a decrease of \$6.70 per \$1,000.00 valuation. This was the result of an overall increase of 11% in assessment on all real estate property. This increase was effected as the result of a recommendation by the State Tax Commission, in order that the local assessments might be on an equalized basis with those in the remainder of the State.

The new Beach Road was completed during the fall of 1957. Every effort was made to keep the cost of constructing this road within the amount of money available, and this was accomplished through the effort of our Highway Agent. The cost of this construction did not have any effect on the 1957 tax rate, as the money used for this project was carried over from the previous year.

Work on the sewage disposal project was begun during the summer. Several unforeseen difficulties arose which prolonged the installation of this system, but most of these problems have been ironed out and it is expected that the project will be brought to completion during the coming year.

Work on the widening of Peterborough Street progressed much better than had been anticipated, and with the exception of a few minor details, this work is near completion. We sincerely believe that when this project is completed, that it will eliminate many hazards which had previously made this road a bottleneck for traffic.

New type street lights were installed on both Main and Peterborough Streets, furnishing these streets with a much better lighted area than formerly.

Several miles of the hard-topped roads in this Town were resurfaced during the past year, and it is our opinion that these roads are now in a better than average condition.

The Town Road Aid funds were expended this year for the improvement of the back road to Rindge, N. H., from a point beyond the residence of Esther Murphy to the residence of Copeland M. Draper. We believe that this road improvement will prove beneficial to the residents in that area, as improvement had been needed for quite some time.

Due to the uncertainty of winter conditions, it is very difficult to anticipate whether or not there will be an overdraft or an unexpended balance in the winter maintenance account. Due to the favorable winter conditions of this past year, we were fortunate enough to operate within a few hundred dollars of the funds allocated by the 1957 Town Budget.

This brings to mind the plowing of driveways as approved at the March 1945 Town Meeting as follows: "The plowing of driveways will be *subordinate* and *incidental* to the public needs of the Town, the clearing of all necessary highways and the regular work of the highway department." Many complaints have been received and handled regarding the plowing of driveways, and at this time we would like to explain that this plowing is done by the Town as an accommodation for the individuals requesting same, and it must be borne in mind that the highway department must clear all the town roads first and then start the plowing of driveways.

Widening of the Main Street bridge and sidewalks had been scheduled for the past Summer, but due to other construction problems, it was thought more feasible to postpone this project until this coming spring. The necessary steel beams for this construction have been received and this project will begin with the coming of fair weather.

The subject of Christmas lighting in this community has caused many comments, both favorable and unfavorable. The Selectmen are of the opinion that they accomplished the best they could with what funds were available. On the recommendation of the Jaffrey Board of Trade, the Selectmen have appointed a committee comprised of Mrs. Florence P. Smith, as Chairman, Mr. Leo A. J. Forcier and Mrs. Elizabeth S. Sawyer, to work as a committee on a Christmas lighting program for the coming Christmas season of 1958.

At this time we wish to take this opportunity to express our appreciation for the excellent support and full cooperation given us by the Police, Fire, Highway and other departments in the administration of Town Government. It is our earnest and sincere belief that all departments operate efficiently and that every opportunity is taken by them to afford every precaution for the safeguarding, protection and welfare of the inhabitants of the Town of Jaffrey.

In closing the Board of Selectmen wishes to express its appreciation for the support and cooperation extended them during the past year, and hopes that it will be able to continue serving the public during the coming year as it has done in the past.

The Board of Selectmen meets in the Jaffrey Town Offices every Friday evening between the hours of 8:00 P.M. and 10:00 P.M. Any complaint, suggestion, support and comment, whether favorable or unfavorable, are earnestly solicited.

Selectmen

TOWN MEETING WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Jaffrey, in the County of
Cheshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Conant High School
Auditorium on Stratton Road, in Jaffrey Village, in said Town on
Tuesday, the Eleventh day of March next, at nine o'clock in the
forenoon, (polls to remain open until six o'clock in the afternoon),
to act on the following subjects:

Article 1. To choose a Town Clerk, Selectman for three years,
Tax Collector, and all other necessary town officers.

Article 2. To hear all reports except that of the Budget Com-
mittee.

Article 3. To hear the report of the Budget Committee, and
to raise such sums of money as may be required for the support of
the poor, building and repairing highways and bridges, fire depart-
ment, police department, Memorial Day, street lights and all other
town charges.

Article 4. To see if the Town will vote to authorize the Select-
men to borrow money in anticipation of taxes.

Article 5. To see if the Town will vote to raise and appropriate
the sum of \$1,114.40 for Town Road Aid upon Class V highways on
condition the State contribute the sum of \$7,429.34.

Article 6. To see if the Town will vote to discontinue the
practice of electing our Highway Agent, and vote that said official
shall be appointed and hold office at the will of the Selectmen. (By
Petition).

Article 7. To see if the Town will vote to increase the Tax Collector's salary from $\frac{1}{2}$ of 1% to $\frac{3}{4}$ of 1% of taxes collected.

Article 8. To see if the Town will vote to raise and appropriate the sum of \$1,200.00 for the trade in of the police cruiser, or act in any way relating thereto.

Article 9. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the repair of sidewalks on various streets of the Town, or act in any way relating thereto.

Article 10. To see if the Town will vote to ratify and affirm the vote passed under Article 11 of the warrant for the annual Meeting on March 12, 1957 providing for the installation of a sewage disposal plant including treatment works and the extension of sewerage facilities at a total cost not to exceed \$276,600.00 to be raised by borrowing, federal and/or state aid or otherwise; and to amend the same by authorizing the Selectmen to incur said debt in excess of the debt limit pursuant to the provisions of the New Hampshire Revised Statutes Annotated Chapter 33 Section 5-b.

Article 11. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$2,550.00 for the purpose of erecting a fence around the present parking area at Lake Contoocook; such land being presented to the Town by Gardner N. Stratton and Curtis G. Watkins, with the stipulation that such fence be erected, or act in any way relating thereto.

Article 12. To see if the Town will vote to accept the Zoning Ordinances recommended by the Planning Board.

Article 13. To see what action the Town will take with regard to the purchase of the Boston and Maine Railroad station property, and all railroad land on the west side of the track, and to raise and appropriate a sum of money not to exceed \$6,000.00 necessary to purchase this property, or act in any way relating thereto.

Article 14. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$15,000.00 for the purpose of improving the road known as "Off Fitzwilliam Road", extending from the John J. Morgan property to the residence of Roy A Young at Gilmore Pond, or act in any way relating thereto. (By Petition).

Article 15. To see if the Town will vote to raise and appropriate the sum of \$98.40 for the installation of four (4) street lights on Gilmore Pond Road, beginning at a point near the so-called Joseph Lemire house and continuing along said road where there are houses. (By Petition).

Article 16. To see if the Town will vote to instruct the Selectmen to arrange for the permanent flood lighting of the tower of the Old Meeting House, and to raise and appropriate the sum of \$100.00 to defray the expenses incurred thereby. (By Petition).

Article 17. To see if the Town will vote to authorize the Selectmen to sell the clay pit located on the east side of Howard Hill to Bernard J. Heil, said land conveyed to the Town of Jaffrey by the Conant Cemetery Association.

Article 18. To see if the Town will vote to raise and appropriate the sum of \$608.00 (1/100th of 1% of the valuation of the Town) to the Monadnock Region Association of Southwestern New Hampshire for issuance and distribution of printed matter, newspaper and magazine advertising, and by other means calling attention to the resources and natural advantages of the Town in cooperation with the other thirty-seven towns of the Monadnock Region.

Article 19. To see if the Town will vote to rescind Par. 2, of Article 15, voted at the March 12, 1952, Town Meeting, pertaining to sewer rental fees, and that the following sewer rental fees be adopted: "Sewer Entrance fees, \$25.00; Rental charge per annum: Per family \$10.00; Garages and gas stations \$20.00; Restaurants \$20.00; Hotels per room \$1.50; Rooming house, over seven rooms, each \$1.50; Factories, stores and office buildings to be rated by the Selectmen," or act in any way relating thereto.

Article 20. To see if the Town will vote to raise and appropriate the sum of \$1,850.00 for the purpose of relocating the dump and also covering over and closing the old dump site.

Article 21. To see if the Town will vote to raise and appropriate the sum of \$500.00 to the Planning Board for the purpose of covering expenses incurred during the past year; balance to be made available for similar expenses during the ensuing year.

Article 22. To see if the Town will vote to raise and appropriate the sum of \$4,500.00 for the purpose of installing a new heating plant in the Jaffrey Public Library.

Article 23. To see if the Town will vote to authorize the Selectmen to sell the land conveyed to the Town of Jaffrey by White Brothers Inc., in 1943, to D. D. Bean & Sons, or act in any way relating thereto.

Article 24. Shall the provisions of Chapter 287 of the Revised Laws of 1955, Annotated, relating to games of Beano be accepted in this Town?

Given under our hands and seal this 21st day of February, A.D., 1958.

REPORT OF POLICE DEPARTMENT

JAFFREY, NEW HAMPSHIRE

January 3, 1958

To the Honorable Board of Selectmen:

Gentlemen:

The Chief of Police herewith submits his annual report for the year 1957.

Your department investigated a total of 522 complaints during the past year, 91 of these complaints involved juveniles. Five juveniles were brought in before juvenile court.

Thirty-nine auto accidents were investigated as compared to 49 in 1956. Of these accidents, Personal injury were sustained in only 9 of them. There were no Fatal accidents during the year and one auto-pedestrian accident.

The two-way radio for headquarters was installed during the summer. Other new equipment purchased were: a Rolatape, for measurements at scenes of auto accidents, a Halligan Tool, a most valuable piece of equipment in a Police Cruiser, new summer style white hats for all the officers.

All the officers of the department attended a training school in Keene during the month of October. This was a school sponsored by the Cheshire County Peace Officers Association.

Sudden deaths investigated	3
Summons served for out of town Police	2

I want to take this opportunity to express my thanks to the Board of Selectmen, the members of the Police Department, the members of the Fire Department, Town Clerk Albert J. Morin, Tax Collector Raymond Desmarais, all other Town Officials, State Trooper William F. Smith, Sheriff Frank W. Walker, officials of the Jaffrey Municipal Court, the merchants and citizens of Jaffrey for the cooperation given me during the past year.

Respectfully submitted,

LUCIEN E. VIGNEAULT

Chief

REPORT OF MEMORIAL DAY COMMITTEE

Balance on Hand, January 1, 1957	\$ 27.13
Appropriation, 1957 Town Meeting	400.00

Expenses:

Art Novelty Co., Grave Flags	\$ 53.40
Nellie Homon, Wreaths	27.00
Conant High School Band	150.00
Lauraette Sawtelle, Wreaths	10.00
Coll's Radio Shop, Amplifier	5.00
L. W. Parker, Grave Markers	9.24
The Flag Shop, Grave Markers	21.92
Elie Belletete and Sons, Paint Brushes	.78
Monadnock Ledger, Card of Thanks	1.50
Transcript Printing Co., Card of Thanks	1.50
Cash on Hand	146.79

	\$427.13 \$ 427.13

It will be noted that there is a considerable amount of cash on hand at the present time. However it will be necessary to purchase several more grave markers in 1958 and the purchase of more street flags will also be necessary. Since no decision has been reached as to what type of flags will be used, none have been ordered and the money, therefore, remains in the fund.

Memorial Day Committee

CHARLES A. BALDWIN

Chairman

Fire Department	5,600.00
Red Net Work	400.00
Insurance	2,700.00
Civil Defense	25.00
Health Department	100.00
Vital Statistics	100.00
Town Dump	1,400.00
Tarring Roads	15,000.00
Summer Maintenance	9,000.00
Winter Maintenance	16,000.00
Street Lights and Telephone	7,200.00
General Highway Expense	1,500.00
Library	1,500.00
Old Age Assistance	3,300.00
Town Poor	4,700.00
Memorial Day Committee	400.00
Humiston Field	1,000.00
Parks and Playgrounds	150.00
Bathing Beach	1,200.00
Water Utilities	90.00
Cemeteries	4,100.00
Damages and Legal Expense	1,000.00
Employees Retirement and S. S.	1,500.00
Interest on Temporary Loans	500.00
Interest on Long Term Notes	729.00
Town Construction	2,000.00
Peterborough Street Bonds	2,700.00
Town of Rindge Taxes	125.00
County Tax	16,000.00

	\$126,119.00

Art. 4. ANTICIPATION OF TAXES. It was voted to authorize the Selectmen to borrow money in anticipation of taxes.

Art. 5. TRUSTEES OF TRUST FUNDS. It was voted to authorize the Selectmen to deposit in a special fund with the Trustees of Trust Funds the proceeds from the sale of lots in Cutter Cemetery, the income of such funds to be used for the care and maintenance of said Cutter Cemetery until otherwise ordered by the Town.

Art. 6. INCREASE IN OVERSEER OF THE POOR'S SALARY. It was voted to increase the salary of the Overseer of the Poor from \$300.00 to \$500.00 annually.

Art. 7. SIDEWALKS. It was voted to raise and appropriate the sum of \$5,000.00 for the construction and repair of sidewalks on various streets of the Town.

Art. 8. TOWN ROAD AID CONSTRUCTION. It was voted to raise and appropriate the sum of \$915.10 for Town Road Aid on Class V Highways of this Town on condition that the State contribute the sum of \$6,100.64.

Art. 9. RADIO EQUIPMENT FOR USE OF TOWN OF JAFFREY FIRE DEPARTMENT. It was voted to raise and appropriate the sum of \$1,100.00 for the purpose of purchasing radio equipment for the use of the Town of Jaffrey Fire Department.

Art. 10. MONADNOCK REGION ASSOCIATION. It was voted to raise and appropriate the sum of \$548.00 to the Monadnock Region Association of Southwestern New Hampshire.

Art. 11. SEWER SYSTEM. It was voted to authorize the Selectmen to construct and equip a sewerage disposal plant and system in accordance with the initial construction program as recommended by the Consulting Engineers, Camp, Dresser & McKee; the funds to be acquired by borrowing not in excess of \$276,600.00 and accepting a Federal Grant under the Federal Water Pollution Control Act, and such State Aid as may be available; the Selectmen to execute in behalf of the Town, such contracts as are necessary to effectuate the same and to lay out and acquire by purchase or otherwise such property as is required and to perform such acts as are reasonably designed to complete said construction; the Town to borrow a sum not in excess of \$276,600.00 through the issuance of serial bonds and notes in compliance with the Municipal Finance Act (Chapter 33 of the New Hampshire Revised Statutes, Annotated) and authorize the Selectmen to issue and negotiate such bonds and notes and determine the rate of interest thereon, the time and place of payment and conditions of sale thereof, and to take such action as is necessary to effect the issuance, negotiation, sale and delivery of said bonds and notes as shall be in the best interests of the Town of Jaffrey; said sum to be used in conjunction with Federal and State Grants, if any, for the construction and equipment of a sewer disposal plant and system in the Town of Jaffrey.

Art. 12. TOWN DUMP. It was voted not to raise and appropriate \$2,500.00 for the purpose of providing a Town Dump. It was also voted that the Town continue a Dump Committee, they to give consideration to all solutions of the problem and bring in their recommendations to the next meeting.

Art. 13. SAWTELLE ROAD. It was voted to indefinitely postpone action under this article.

Art. 14. STREET LIGHT ON BLAKE ROAD. It was voted to authorize the Selectmen to remove the street light now on Pole 102-350 on Blake Street, and raise and appropriate the sum of \$84.00 for the installation of a 20,000 Lumen light on Pole 102-349.

Art. 15. BEACH ROAD. The motion under this article did not carry. The following resolution was adopted:

"Resolved, that it is the sense of this meeting that the Selectmen approve the general location of a new highway at Contoocook Lake as disclosed in the petitions filed with the Selectmen June 23, 1956".

Art. 16. STREET LIGHTING ON MAIN AND PETERBOROUGH STREETS. It was voted that the Town raise and appropriate the sum of \$589.00 for the purpose of improving the street lighting on Main and Peterborough Streets.

Art. 17. ZONING. It was voted that the Planning Board be instructed to continue its study of Zoning and that it prepare a proposed ordinance to be presented at the March 1958 Town Meeting.

Art. 18. GOODNOW PROPERTY. It was voted that consideration of this article be postponed to an adjourned meeting to be held on May 6, 1957, at 7:30 P.M. at Union Hall.

Art. 19. CUTTER HILL LIGHT. It was voted to raise and appropriate the sum of \$23.50 for the installation of a street light on Henchman Road near the road leading to Cutter Hill in Jaffrey Center.

Art. 20. HIGHLAND AVENUE LIGHTS. It was voted that the Town raise and appropriate the sum of \$47.00 for the erection of two street lights on Highland Avenue, between the residences of Fred J. Butler and Joseph T. Griffin.

The following resolution was adopted: Resolved, that the Town go on record as approving the making of this economic survey under the auspices of the Jaffrey Board of Trade to be used as a source of information in the event that new small industrial plants should investigate the possibility of locating in the community.

Further Resolved, that the Town go on record as approving the making of this economic survey under the auspices of the Jaffrey Board of Trade in cooperation with the Selectmen, the Planning Board, and other interested local organizations.

Art. 21. BEANO. The vote on the question of Beano was as follows:
 Yes — 480 No — 224

The Meeting adjourned at 7:55 P.M.

A True Abstract:

ALBERT J. MORIN

Town Clerk

ABSTRACT OF BUSINESS TRANSACTED AT THE ADJOURNED TOWN MEETING, MAY 6, 1957

Art. 18. GOODNOW PROPERTY. It was voted to pass over this article.

The Meeting adjourned at 7:45 P.M.

DUMP COMMITTEE'S REPORT

The town meeting of 1956 voted that a committee be appointed to investigate a new location for the town dump and submit a report to the meeting of 1957. This committee considered the following alternatives during its investigation: (It should be noted that, in general, 1. A public dump, to best serve its purpose should be reasonably convenient to a large proportion of the people who use it, and, 2. Prevailing winds dictate that any site which would be reasonably convenient must be located North or East of the heavily settled area to avoid dump smoke and odor drifting into town. It is apparent that these two main considerations limit prospective sites to those North and East and near Jaffrey village, cutting drastically the number of prospective sites.)

SITE	PRINCIPAL ADVANTAGES	DISADVANTAGES
1. Parker's Property (Off Bonds Corner Road)	Convenient. Low nuisance factor. Unlimited capacity. Water available. Easy to develop.	Fire hazard. (In wooded area)
2. Fox Lot	Remote. Low nuisance factor. Unlimited capacity.	Remote (inaccessible) Fire hazard
3. Carey Park area	Convenient. Water nearby.	High nuisance factor. Wrong side of town — windwise.
4. Annet State Park area	Water available Easy to develop.	State approval unlikely. Remote.
5. Parker Pond area (Near S. Johanson's)	Remote. Low nuisance value.	Remote (inaccessible) Costly (good bldg. site)
6. Old Cutter Farm (Near Hodge Pond)	Water nearby.	Fire hazard (wooded) Costly (good bldg. site)
7. Witt Hill (Between V. Bush & O. LeMay)	Convenient (except to Jaffrey Center residents.)	
8. Sanitary landfill	Clean — low nuisance.	Costly in labor, machinery requirements and land.
9. Incinerator	Relatively clean.	Very costly in initial investment and operating expenses. Disposal area for non-Combustibles needed.

An obvious general disadvantage which might well be ascribed to any of these alternatives is a reluctance of property owners to see a disposal site located in their neighborhood.

On the basis of its investigation, the Committee recommended that the Parker Property site (1) be chosen for the operation of an open type dump. It was felt that the general convenience of its accessibility, coupled with an unusually desirable location from the point of view of minimum nuisance

value, made it the logical choice. This recommendation was made to the town meeting in March, 1957. After discussion the recommendation was rejected and the committee directed to return a new report to the town meeting of March, 1958.

In preparing new recommendations, the committee found that the previous conclusions still seemed valid.

In choosing the method of disposal as to whether an open face dump, a sanitary landfill or an incinerator would be wisest for the town, the decision still seemed to favor the open dump. Briefly, these reasons show why:

1. An incinerator seems completely impracticable. In New Hampshire, only Manchester operates one. Berlin, Keene, Portsmouth and others have discontinued operation. The State Department of Health discouraged consideration of this solution. The initial expense is very high. An estimate of \$50,000 would be the very minimum for initial construction. It would almost certainly require public collection. Operating expenses would be high and in addition there is still a disposal problem involving that which will not burn. The committee did not compile any cost estimates on such an operation, because it seemed to them that it would be, in effect, a waste of time.

2. A sanitary landfill is very appealing in every way save cost. In brief, it consists of each day covering over and sealing with earth all rubbish dumped that day. It means that there are no vermin or fly problems; no burning and thus no fire hazard or smoke problems; no odor problems. It also means, however, that the town must maintain a caterpillar type tractor at the site, plus an operator. It means that one or two acres of land must be provided each year. It was the committee's estimate that it would cost the town a minimum of \$6,200 to establish a sanitary landfill and approximately \$3,800 per year to operate one. This, the committee felt, prices it beyond the means of the town, considering the small advantage it would gain over a properly operated open dump.

It is evident that a sanitary landfill method is better suited to larger communities where land is at a premium and through its use wasteland can be converted to taxable land.

3. An open dump, although having obvious disadvantages, has, also, an equally obvious advantage; it is relatively economical to operate. It requires: A hill to dump from, an attendant for general policing of the area, some sort of fire protection, and an occasional visit by a bulldozer. It is the committee's estimate that the cost of establishing an open dump would be approximately \$1,500, and the annual operating cost about \$2,100. These figures include: Initial land clearing and construction of a fire break; an access road; a water pump with accessories. The annual operating cost estimate includes a caretaker at \$25.00 a week; an allowance of \$100 for pest control; and \$100 for visits by a highway department bulldozer for covering the dump every four weeks during summer months.

Having concluded that an open face dump was best suited for the town needs, the next question was — where? The site was recommended in 1957 still seemed logical. A new factor had arisen, however, which offered a new possibility. The town is committed to build sewage treatment lagoons on the Peterborough Road, generally SE of Pierce's Crossing, largely on land now belonging to Archie Coll. For various legal and technical reasons, the town is obliged to buy some 100 Acres of land in the vicinity for the lagoon project. The lagoons themselves will occupy only 18 acres at their fullest development — leaving abundant room for a town dump somewhere else on the property.

The site has these advantages, dumpwise:

1. No additional land costs to town.
2. NE of town (prevailing winds blow smoke odor away).
3. Near water (Contoocook River).
4. Sandy, easily worked soil.
5. Concentrates two major nuisances at one spot.

and these disadvantages:

1. Distant from Jaffrey Center people.
2. Will probably require approach by going up Jurva Hill.

Taken all in all, the advantages far outweigh the disadvantages, and the committee recommends that this site be chosen for the new dump location.

The actual site preparation and movement of the dump to the new site cannot logically be made until the final layout of the lagoon system is made. It is possible that at that time one access road may serve both the dump and the lagoon system. In any event, it would be unwise to locate the dump and then have to relocate it because it interfered with the lagoon construction. The best guess as to when the dump might be moved is August 1958. In the meantime, the old site would have to continue to be used.

Now, the old site must be closed properly. Merely covering it over will drive vermin out of it and into the village. Therefore, the committee recommends thorough extermination there before covering.

Recommendation:

In view of all the foregoing vital considerations, the duly appointed, anointed and disjointed Jaffrey Dump Committee, having solemnly weighed the evidence, does hereby recommend:

1. Location.
 - a. That a new dump site be established on the same tract of land to be purchased for the use of sewage treatment lagoons near the former Jurva farm.

2. Operation.
 - a. That the dump be operated as an open face dump.
 - b. That it be compacted and covered over oompletely once monthly.
 - c. That continuous vermin control measures be maintained at site.
 - d. That adequate precautions be taken against fire hazard, consisting of at least the following:
 - (1) A fire break be maintained at all times around the site.
 - (2) A portable fire pump be located at the site.
 - (3) A phone be located at the site.
3. Reconsideration.
 - a. That the Selectmen of Jaffrey, in preparing the town warrant in 1958, insert in the warrant an article substantially as follows: "To see if the town will vote to continue the town dump at its present location."
4. Old Site.
 - a. That the old dump site near KK Village be closed.
 - b. That thorough vermin extermination be completed at old site.
 - c. That old site be covered over in its entirely and left clean.
5. Time of Execution.
 - a. That measures proposed herein be executed concurrent with construction of the aforementioned sewage treatment lagoons.
6. Moneys needed.
 - a. That the following amounts of money be raised and appropriated for the appropriate portions of this recommendation:
 - (1) For Par. 2 — \$1,500.
 - (2) For Par. 4 — \$300.

DAVID R. SAWYER, Chairman

ARTHUR J. COLL

DELCIE D. BEAN, JR.

TOWN OF JAFFREY, NEW HAMPSHIRE PROPOSED PROTECTIVE ZONING ORDINANCE

The purposes of this protective ordinance are to promote the general welfare of the community by preserving, promoting and developing its many outstanding characteristics, and the other purposes stated in Chapter 31, Section 62, New Hampshire Revised Statutes Annotated, 1955, and any amendments thereto.

SECTION I. USE OF EXISTING BUILDINGS AND LAND.

A non-conforming building or use existing at the time this ordinance is adopted may be continued, provided such use has not been abandoned for a period of two years except in the case of a national emergency. Such building may be enlarged up to 100% of the ground floor area in use at the time of the adoption of this ordinance and to a greater extent when approved by the Board of Adjustment.

A non-conforming building may be restored at the same location and used as previously, if destroyed or damaged by fire, explosion, or other catastrophe; provided that in rebuilding it shall be made to conform to this ordinance so far as practicable, and be completed within two years after such catastrophe. The building as restored shall be no greater in floor or land area than the original building unless allowed by the Board of Adjustment.

SECTION II. ESTABLISHMENT OF DISTRICTS.

The Town of Jaffrey is hereby divided into districts of five types to be known as:

1. Rural-Residential-Agricultural Districts (RRA)
2. Residence A Districts (RA)
3. Residence B Districts (RB)
4. General Business Districts (GB)
5. Industrial Districts (I)

The boundaries of each of the said districts are established as shown on the map accompanying this ordinance and on file with the Clerk of the Town of Jaffrey, entitled "Zoning District Map, Jaffrey, New Hampshire", dated February 1958 and hereby made a part of this ordinance.

SECTION III. BUILDING AND LAND USES.

A. USES IN ALL DISTRICTS.

Buildings and land in all districts may be used for the following:

- a. Detached single family dwellings.
- b. Churches, parish houses, schools, libraries and museums.
- c. Farms, including livestock (but not a piggery), dairy farm, market gardens, orchards, greenhouses and sale of produce raised on the premises provided

that no stand for the sale of such produce shall be within 25 feet of the street line.

- d. Forests, wood lots, portable wood-working mills and machinery located on the property for use in connection with forest and wood lot operations.
- e. The renting of rooms or the furnishing of table board to not more than two persons.
- f. Customary home occupation or the office of a member of any recognized profession, when situated in the residence or in a building accessory thereto, if no more than 25% of the floor area of the residence is used for the purpose of the home occupation or professional use, and there is no external evidence of such use other than an announcement sign.
- g. Extension of an existing cemetery.
- h. Antique shop in a dwelling or building accessory thereto, if there is no exterior display (except for a sign as herein provided) and the residential character of the premises is preserved.
- i. Public recreation or water use.
- j. Announcement signs in connection with any of the allowed uses, provided that such signs are located on the premises with the use and do not exceed 6 square feet in area. Real estate signs not more than 6 square feet in area, pertaining to the lease or sale of the building or premises on which they are located.
- k. Any accessory use to the foregoing which is a use of an owner or occupant, such as: The keeping of a small flock of poultry, saddle horses, usual pets, or farm animals for use only by residents of the premises; private guest house, tool shed, tennis court, boat house, or other building for domestic use; storage of boats and boat trailers; private garage for motor vehicles; but not including more than one commercial vehicle, other than farm vehicles, or more than one vehicle owned by a non-resident of the premises.

B. EXCEPTIONS IN ALL DISTRICTS.

Exceptions may be granted by the Board of Adjustment with Planning Board approval for the following uses of buildings and land in all districts:

- a. Public institutions of an historical or philanthropic character, hospitals, sanitoriums, and other medical institutions.
- b. Government, municipal or public utility buildings, but not a correctional institution.
- c. Rest home, convalescent or nursing home.
- d. Private clubs, lodge, or other non-profit social, cultural, civic or recreational use, but not including any use the chief activity of which is one customarily conducted as a business.
- e. Poultry farms, provided buildings for such uses are at least 50 feet from a street or public way line.
- f. Sand, gravel, or loam removal.

- g. Commercial kennel, animal or veterinary hospital, provided that such use is located on the same premises as a dwelling and is conducted by the resident thereof.
- h. Aviation field, if an approach plan map accompanies the permit of the New Hampshire Aeronautics Commission.
- i. Picnic groves, ski and hiking trails and shelters, ski tows, golf courses, outdoor skating rinks, boat liveries, children's camps.
- j. Inns, hotels, and motels including restaurants operated in connection therewith.
- k. Uses deemed to be similar to the foregoing.

1. USES AND EXCEPTIONS IN RURAL-RESIDENTIAL-AGRICULTURAL DISTRICTS.

As in IIIA and IIIB.

2. USES AND EXCEPTIONS IN RESIDENCE A DISTRICTS.

Buildings and land in Residence A District may be used for the following:

- a. All uses and exceptions as provided in IIIA and IIIB.
- b. Conversion of a single family dwelling existing at the time of the adoption of this ordinance, for occupancy by not more than two families provided that no exterior change is made which alters the single family character of the dwelling.
- c. The renting of rooms or the furnishing of table board in the dwelling to not more than 8 persons.

3. USES IN RESIDENCE B DISTRICTS.

Buildings and land in Residence B Districts may be used for the following:

- a. All uses allowed in Section IIIA.
- b. All uses allowed in Section IIIB without Board of Adjustment approval except aviation fields and sand, gravel, or loam removal.
- c. Conversion of a single family dwelling existing at the time of the adoption of this ordinance for occupancy by not more than 3 families provided that the exterior design of the structure is not changed from the character of a single family dwelling.
- d. Eating, Boarding and Lodging Houses.
- e. Funeral Homes and Mortuaries.
- f. Accessory uses, provided that the use is conducted by a resident occupant; that the use is conducted on the rear half of the lot at least 20 feet from any main buildings on any adjoining lot in a residence district; that the use is not injurious or offensive to the neighborhood; that there is no display of goods visible from the street.
- g. Any accessory use to the foregoing which is a use of the owner or occupant.

EXCEPTIONS IN RESIDENCE B DISTRICTS

Exceptions may be granted by the Board of Adjustment with Planning Board approval for the following uses of buildings and land in Residence B Districts:

- a. Apartment houses, apartment hotels in conformance with Section IV.
- b. Nursery school or other agency for the day care of children, private organized camp for children or adults.

4. GENERAL BUSINESS DISTRICTS.

Buildings and land in General Business Districts may be used for the following.

- a. Any use allowed in Rural-Residential-Agricultural and any Residence District, including uses designated as exceptions provided the required approval is granted.
- b. In an enclosed building or structure:
Retail store, salesrooms, retail service establishments. Restaurants, taverns, cafes and other places for serving food and alcoholic beverages. Business or professional offices and banks. Consumer service establishments, such as barber, beauty shop, bicycle repair shop, business or trade school, catering service, collection station for laundry or dry cleaning, dressmaking or millinery shop, frozen food locker, hand or self-service laundry, photographic studio, shoe or hat repair shop, tailor shop, television or household appliance repair shop, or similar use. Private clubs, hotels and inns. Theatre, hall, club and other places of amusement and assembly. Apartment houses and apartments in a building for which the principal use is a business. Newspaper printing and job printing.
- c. Signs, provided they advertise goods or services offered on the premises.
- d. Shops for custom work or the making of articles to be sold at retail on the premises.
- e. Commercial or public parking areas for automobiles.
- f. Automotive service establishments, public garages, gasoline service stations.
- g. Any use which is incidental or accessory to the foregoing.

EXCEPTIONS IN GENERAL BUSINESS DISTRICTS.

Exceptions may be granted by the Board of Adjustment with Planning Board approval for the following uses of buildings and land in General Business Districts:

- a. Drive-in restaurants and roadside stands.
- b. Outside sales.
- c. Enclosed storage or shop of a builder, or similar tradesman.
- d. Uses deemed to be similar to the foregoing.

5. USES IN INDUSTRIAL DISTRICTS.

Buildings and land in Industrial Districts may be used for any use approved by the Board of Adjustment as not dangerous, offensive or detrimental

to the Town of Jaffrey by reason of emission of dust, odor, fumes, smoke, refuse, noise or vibration, with the written approval of the Planning Board, except that: where district joins a residential district, no motive power shall be used within 150 feet of a district line.

SECTION IV. LOCATION OF BUILDING.

To secure safety from fire all residential buildings shall, hereafter, be in a location which fronts upon a public way or a private way which shall have a travelled surface not less than 12 feet wide. Other buildings shall have access to such a way.

Buildings used for human occupancy, and other uses located in relation to Residence District Lines may be located on any lot provided the lot contains at least the area and has at least the width at the front main wall of the main building at the set back line as set forth for each district as follows:

District	Minim. 1a-c Lot Area	Minim. 1a-c Lot Width	Minim. 2a-b Side Yard	Minim. 2a-b Rear Yard	Minim. 2a-b, 3 Front Yard
RRA	15,000 square feet for residence	100 feet for residence	15 feet	50 feet	50 feet
RA	10,000 square feet for residence	80 feet for residence	15 feet	50 feet	30 feet
RB	7,500 square feet for 1 family or 2 families in 1 building (4)	75 feet for residence	12 feet	30 feet	25 feet
GB	15,000 square feet for residence	100 feet for residence	12 feet for residences and for non-residences 10 feet from a res. dist. line	20 feet for residences and for businesses except where the building extends thru a block	25 feet for residences
IND	Same as GB	Same as GB	50 feet from a residential district line	Same as GB	25 feet for residences

1a. No yard, court, or open space required by this ordinance shall during the life of such building be occupied by or counted as open space for another building.

1b. Minimum lot area and width requirements shall not apply to lots which prior to the adoption of this ordinance were shown as separate parcels for real estate taxes, or on plans or deeds recorded in the Registry of Deeds; such lots may be used for any allowed use in the district in which the lot is located, and for each foot that such lot is less than 75 feet wide, 1 foot may be deducted from the sum of the width of the required 2 side yards, provided that the buildable width need not be reduced to less than 30 feet and no side yard shall be less than 7 feet.

1c. No lot on which a building is located in any district shall be changed in size or shape so that the building or lot fails to comply with the lot area, frontage, setback, or yard provisions of this ordinance, applicable to the construction of the building on the lot. This provision shall not apply when a portion of a lot is taken for a public purpose.

2a. The front, side and rear yard provisions may be varied by the Board of Adjustment in the case of an irregular, narrow, or shallow lot or a lot unusual either in shape or topography, if in the opinion of the Board, it is extremely difficult to adhere to such provisions.

2b. Nothing herein shall prevent the projection of cornices or caves not exceeding 24 inches in width, or of uncovered steps, unroofed porches, or window sills into any required yard or other open space.

3. No building in any district need be located or placed further from the exterior line of any street or public way than the average distance, from such street or way line, of the dwellings or other principal buildings located on the lots adjacent thereto on either side. In determining such average, a vacant side lot having a frontage of 50 feet or more shall be considered as though occupied by a building having the required setback and a lot separated from the lot in question only by a vacant lot, having a frontage of less than 50 feet shall be deemed an adjacent lot.

4. Plus 3000 square feet for the next two family units to be accommodated and 1000 square feet for each additional family to be accommodated.

SECTION V. GENERAL PROVISIONS.

A. FLOOR AREA.

The following minimum floor areas must be provided for all dwelling units: 600 square feet of interior ground floor area for the first unit, 600 square feet of floor area for the second unit and 400 additional square feet of floor area for the third unit where conversion is allowed, exclusive of cellars and halls, said area to be measured to the exterior walls of buildings.

B. ACCESSORY USES AND ACCESSORY BUILDINGS.

1. One or more detached accessory buildings may be located in the rear yard areas, and on the same lot as the principal building, provided that not more than 25% of the required area shall be so occupied, and further provided that an accessory building shall not be located nearer than 10 feet from the principal building and at least 5 feet from any side or rear lot line, and subject to the yard requirements of the district in which it is located. An accessory building attached to its principal building shall be considered an integral part thereof and as such shall be subject to the front, side and rear yard requirements applicable to the principal building.

2. A garage or storage space for private motor vehicles; off-street automobile parking, open or enclosed.

C. PARKING. Each residential, professional, business or industrial use, established after the adoption of this ordinance shall provide adequate off-street

parking space, on the same lot, to accommodate automobiles or other conveyances of customers, patrons and employees, and to serve the delivery requirements of the establishments. When such space cannot be provided on the same lot, in the same district, the Board of Adjustment may grant a permit therefor on land within a radius of 350 feet therefrom, in the same or a less restricted district. Off-street parking spaces shall be graded, drained, and provided with a dust-free surface and shall be permanently available as parking space.

SECTION VI. DEFINITIONS.

For the purpose of this ordinance, certain terms are defined as follows: The present tense includes the future; the singular includes the plural and the plural includes the singular; "shall" is mandatory and not directory; "lot" includes plot; "land" includes marsh and water.

- a. *Accessory Building.* A subordinate building located on the same lot with the main building or use, the use of which is customarily incidental to that of the main building or to the use of the land.
- b. *Accessory Use.* A use customarily incidental to that of the main building or to the use of the land.
- c. *Building.* Any independent structure having a roof and structural supports.
- d. *Family.* Any number of individuals living and cooking together on the premises as a single housekeeping unit.
- e. *Non-conforming Building or Use.* A lawful use of land or building existing at the time this ordinance is adopted, which does not conform to the regulations for the district in which such use of land or building exists.
- f. *Single Family Dwelling.* A detached dwelling designed for and occupied by a single family, and having no party wall, or walls in common with an adjacent house or houses.
- g. *Yard.* An unoccupied space, open to the sky, on the same lot with the building.
- h. *Yard Front.* An open unoccupied space on the same lot with a main building extending the full width of the lot and situated between the street line and the front line of the main building projected to the side line of the lot.
- i. *Yard, Rear.* An open space on the same lot with a main building, unoccupied, except as hereinafter allowed, extending the full width of the lot and situated between the rear line of the lot and the rear line of the main building projected to the side lines of the lot.
- j. *Yard, Side.* An open unoccupied space on the same lot with the main building, situated between the side line of the main building and the adjacent side line of the lot and extending from the rear line of the front yard to the front line of the rear yard. If there is no front yard,

the front boundary of the side yard shall be the street line. If there is no rear yard the rear boundary of the side yard shall be the rear line of the lot.

SECTION VII. ADMINISTRATION.

A. Enforcement. The Selectmen shall be the enforcing officer.

No construction, reconstruction or enlargement shall begin until a building permit has been granted by the enforcing officer. No such permit shall be granted in violation of this ordinance. An application for a building permit shall be accompanied by a plan to scale indicating location of the building or enlargement. No land shall be used except for agriculture, and no building hereafter erected or enlarged shall be used until a certificate of occupancy has been issued by the enforcing officer. If a use is changed to a use in violation of this ordinance, the enforcing officer shall revoke the occupancy permit.

Normal repairs, restoration or improvements interior or exterior, which do not alter the principal use of a building shall not require a building permit.

B. VIOLATION. The Selectmen shall institute legal proceedings to affect compliance.

C. BOARD OF ADJUSTMENT.

Within 30 days of the effective date of this ordinance the Selectmen shall appoint a Board of Adjustment in accordance with Chapter 31, Section 67, New Hampshire Revised Statutes Annotated, 1955. The Board of Adjustment shall act in accord with Chapter 31, Section 66, New Hampshire Revised Statutes Annotated 1955; and shall grant such permits as are provided for by this ordinance. In so doing they shall act in accord with the purposes of this ordinance and for the best interest of the community as a whole.

SECTION VIII. REPEAL AND AMENDMENT.

This ordinance may be repealed or amended in accord with Chapter 31, Section 64 of the New Hampshire Revised Statutes Annotated, 1955.

SECTION IX. VALIDITY.

The invalidity of any section or provision of this ordinance shall not invalidate any other section or provision thereof.

SECTION X. EFFECTIVE DATE.

This ordinance shall take effect upon its passage.

B. No-School Signal

In case of emergency when it seems inadvisable to have schools in session on any day, the No-School Signal will be given by sounding the fire alarm system at 7:00 A.M., and by having it announced over radio station WBZ at the same time approximately. When the No-School Signal is given it means that there will be no school all day. If on a day when the weather looks so bad that one suspects there will be no school and by 7:10 has not heard the no-school whistle nor the no-school announcement on the radio, one can find out if there is to be no school by asking the telephone operator.

C. Calendar

1958

1959

Jan.	5	Schools reopen
Feb.	20	Schools close — Winter vacation
Mar.	2	Schools reopen

D. Report of District Clerk

At a legal meeting of the School District of Jaffrey at the Conant High School Gymnasium in said Town and on the 11th day of March, 1957, at 7:30 o'clock in the evening, and pursuant to the foregoing warrant:

Meeting was called to order by the Moderator, Jason C. Sawyer, and the warrant was read by him with the return of the same.

First four Articles to be voted by ballot.

Article 6: Mr. George Robinson moved, and it was seconded, that the reports, as printed in the Town Report, be accepted and placed on file with the Clerk. Carried.

Article 7: Mr. Ernest Pratt moved that the Auditors elected March 12th at the Town Meeting be the School District Auditors. Seconded and unanimously carried.

Article 8: Mr. Ernest Pratt moved that we raise and appropriate \$251,345.00 and to authorize and direct the School Board to apply against said appropriation such income as is estimated by the School Board exclusive of State Aid, and upon the determination of the amount of State Aid to be received by the School District during the next fiscal year, to authorize and direct the School Board to apply against such appropriation the sum to be received from State Aid and with the School District Clerk certify to the Selectmen the balance as an assessment to be raised by the Town for school purposes.

Discussion. Seconded and unanimously carried.

Mr. Prescott Duncan offered a Resolution in regard to the time of the meeting of the School District of Jaffrey, which, after some discussion, was withdrawn.

Mr. Homer Forcier resolved that the School Board at an early date study the matter to make such improvements as they see fit, and present recommendations at the next meeting.

Article 9: Mr. Ernest Pratt moved that the District raise and appropriate in addition to the original appropriation for 1956-57 the sum of \$4,537.98 to be made available to the School District prior to July 1, 1957, in order to meet unanticipated obligations caused by necessary grading and seeding and tarring the High School grounds and for increased cost of fuel. Seconded and carried.

Article 10: Mr. Robert Haynes moved that the District raise and appropriate the sum of \$6,000.00 for the purchase of a school bus. Discussion. Seconded and carried.

Article 5: Mr. Leon H. Hunt moved and it was seconded that the salaries of the School Board and other District Officers be as follows:

Each School Board Member	\$20.00
Treasurer	50.00
Clerk	5.00
Moderator	5.00
Each Auditor	20.00
Each Ballot Clerk	5.00

Unanimously carried.

The following officers were elected by ballot:

Myrtle J. Hazleton, School District Clerk
 Leon H. Hunt, Member of School Board for Three Years
 Evelyn H. Ruffle, Member of School Board for Three Years
 Lawrence W. Brown, School District Treasurer
 Jason C. Sawyer, School District Moderator

Those present took oath in open meeting.

Voted to adjourn at 9:32 P.M.

A true copy.

Attest:

MYRTLE J. HAZLETON
 School District Clerk

E. Warrant

To the Inhabitants of the School District in the town of Jaffrey qualified to vote in district affairs:

You are hereby notified to meet at the High School Auditorium on the 10th day of March, 1958 at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose two members of the School Board for the ensuing three years.
4. To choose one member of the School Board for the ensuing year.
5. To choose a Treasurer for the ensuing year.
6. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.
7. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
8. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
9. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the town.
10. To see if the district will vote to recind the action taken at the March 12, 1945 meeting of the school district, whereby it was voted "to instruct the Trustees of Trust Funds to retain annually from the income of the Durant Fund the sum of \$2,500.00 to be used by the School Board to provide additional educational and recreational facilities for the students of Conant High School, the uncalled for balance of said fund to be reinvested by said Trustees and held as a special fund for additional high school facilities until its expenditure is authorized by vote of the school district and that the items of expense should be printed in the Durant Fund report of the Trustees of Trust Funds" or act in any way relating thereto. (By petition)

11. To see if the school district will adopt as its school check-list the Town check-list, as provided in RSA 197:12a, as inserted by Laws of 1957, Chapter 57: this provision to be effective for the 1959 and subsequent annual district meetings.

Given under our hands at said Jaffrey this 23rd day of February, 1958.

ERNEST J. PRATT
LEON H. HUNT
EVELYN H. RUFFLE
GEORGE C. ROBINSON
MARY B. DAVIS
CHARLES D. BURRAGE
School Board

There were several changes in the staff at Conant High School with the opening of school in September, 1957: Mr. Roy M. Benson, Boys' Physical Education Director; Mr. Russell T. Bird, civics and Guidance Director; Miss Claire E. Castew, mathematics, Grade 8 and 9; Mr. Leon J. Cote, Grade 6 (one section); Mrs. Laura R. Feagley, English, Grade 9, and French I and II; Mrs. Anna E. Gelinas, mathematics and science, Grade 7; Mr. Robert E. Heon, social studies and English, Grade 7; Mr. John Stohrer, English, Grades 10, 11, and 12; Mr. Gordon W. H. White, social studies and science, Grade 8.

There was only one change in the regular teaching staff at the Grade School. Miss Lorna Niemela, who was graduated from Keene Teachers College in June 1957, replaced Miss Rowena West as second grade teacher.

Mrs. Mary L. Haskins is the new instructor in Girls' Physical Education and Mr. Frank Petronzio the new art supervisor.

PART II. INSTRUCTION **A. Instructional Staff as of December 31, 1957**

TEACHER	POSITION	CONANT HIGH SCHOOL		EXP.	SALARY

 Physical Education (R)
 Art
 Band
 Chorus

All students are required to take four years of English and physical education, and one year of United States History. Biology, Chemistry or Physics, and one unit of mathematics are required for graduation. At least two years of science and mathematics are recommended.

CO-CURRICULAR ACTIVITIES

The following co-curricular activities have been and are being conducted:

Boys' and Girls' Athletics

Dramatics

Band — Junior and Senior Band

School Assemblies

School Assemblies

Student Council

Student Leader Corps

(boys and girls)

SCHOOL BAND

The school band continues to progress under the capable leadership of Mr. Lawrence Castle. Three years ago there was a band of twelve members, whereas at the present writing the combined Junior and Senior Bands consist of approximately forty-four members. Much of the success of the increase is due to the instrumental lessons which are given weekly by Mr. Edward Hamilton. In the past years Mr. Hamilton spent only one-half day in Jaffrey, giving lessons, while at the present time he spends a day and a half, (Jaffrey Grade School and Conant High School). Our music program is definitely reaching more of the students and offering the opportunity for those whose interests are in these fields.

ASSEMBLY

It is appropriate at this time to elaborate somewhat on the school assembly programs. The Durant Fund has made it possible to present some outstanding programs along with the regular assemblies. As to the type of assemblies, the following is the program for 1957-58.

PROGRAM

The LaVaux Trio, Accordionists (Musical Program)
 Hedley Hepworth, Immortal Characters of Literature
 William N. Parson, A Journey into the Forest, (Travel Talk, Science)
 Raymond J. Bogardus, Characters in Clay (Art)
 The Stewarts, Two Concert Artists (Indian Folklore)

These five assemblies are booked through the School Assembly Service, Rochester, New York. Inasmuch as these artists appear at other schools in this area as well as at our local school, the rate is considerably less. Some of these programs are presented at the Grade School, and at other times the Grade School children have journeyed to the High School. The students have thoroughly profited from the experiences of these assemblies.

During the latter part of the 1957 term, a combined concert (band and chorus) by the Conant Music Department and the Peterborough Music Department was held at Conant High School. The proceeds of this concert were for the Rice-Myhaver Scholarships. These scholarships are awarded annually to a member of the senior class at Conant High School and Peterborough Consolidated School for students who are entering the teaching field. This was indeed a fine program and much is to be gained by such combined efforts.

DRIVER TRAINING

During the past two years, successful arrangements have been made with Wade Motors, Inc. of Jaffrey for a car for the Driver Training Program. It is rather interesting to observe that over the past four years, one hundred and seventeen pupils have successfully completed the course in driver training. It should be pointed out that at no time is driver training substituted for an academic subject, and no pupil is allowed to pursue a course in driver training until his academic schedule has been fully accepted.

TESTING PROGRAM

A new testing program was initiated at Conant High School during the fall of 1957. The Iowa Tests of Educational Development were administered to grades nine through twelve. These tests are a battery of nine objective tests which provide accurate information on the individual abilities of pupils in nine specific areas of educational development, and it also provides specific information whereby we can appraise and evaluate our own educational program. It is rather interesting to note that our pupils scored unusually high in the fields of science and English.

SCHOOL PSYCHOLOGIST

A very important decision was made by the Jaffrey School Board in the fall of 1957, when Mr. John Harmes, psychologist, was employed by the school district for two days each month. Mr. Harmes was formerly a member of the staff at the N. H. State Guidance Clinic in Concord, New Hampshire, and we are very fortunate to have such a qualified person as a member of the school staff. Briefly, Mr. Harmes's duties consist of administering individual intelligence and personality tests to children who are unable to learn satisfactorily, who are a behavior problem because they have difficulty adjusting to school, and who show indications of a social maladjustment (inability to get along with other children or withdrawn behavior). Following this examination, the parents are then seen so that they can give their understanding of the problem. Suggestions are then made to the teachers. Time is also spent meeting with groups of teachers, helping them to fulfill the child's emotional needs in the classroom, so that learning can be facilitated and also to aid young children with problems. Although this program has been in effect less than three months, considerable progress has been achieved. Any such program that aids and assists pupils to make a satisfactory adjustment to school life and later adult life is certainly most worthwhile.

GRADE SCHOOL

After a careful study of the available English books, the series published by the American Book Company was selected and placed in Grades 2 through 6.

This year regular meetings are being held to evaluate the present science program, study new text and reference books and organize equipment necessary for the fulfillment of a successful science program.

The school is most grateful for the sum of \$200.00 given the school by the P.T.A. which is being used to buy science equipment.

The interest in professional improvement is very evident by the number of teachers taking professional courses. Mrs. Abbie Brown and Miss Olive Lynch attended a summer workshop in Milford, N. H., on Curriculum in the Elementary School. Mrs. Dorothy Kendall attended summer school in Keene, taking classes in History of Art and Audio-Visual Techniques. She and Miss Geraldine Wallace have finished the extension course "Children's Literature." Mrs. Dorothea Hammond has completed the course "Social Studies in the Elementary School."

PART III. SCHOOL PLANT

A. Repairs

The major improvements this year at the Grade School were the installation of an asphalt tile floor in the lunchroom, removal of a large tree stump, surfacing the sidewalk, covering the old ash pit and repairing the underground section of the west wall of the building.

At the High School the old roof was replaced last summer with a new roof carrying a 20-year bond, and extensive waterproofing of the exterior masonry walls on the east and south sides was done. The budget for 1958-59 has been prepared with the idea in mind of completing the work of repairing the exterior walls of the old part of this building. The north end is yet to be done as is the lower part of the front, including the front steps. The loose mortar has to be raked out and replaced with new, and all joints have to be covered with a waterproof cement seal. This work is expensive but is absolutely essential if the building is to be preserved.

Another item that is in need of attention is that of the steps at Union Hall. These are badly decayed and should be rebuilt in the near future.

B. Insurance

Fire and Extended Coverage on Jaffrey Grade School and Auditorium and Contents	\$209,000.00
Fire and Extended Coverage on Conant High School and Contents	361,000.00
Fire and Extended Coverage on Melville Academy	1,000.00
Boiler Insurance, Property and Liability, Jaffrey Grade and Conant High Schools	50,000.00
Owners' and Tenants' Liability (Teachers only):	
Bodily injury, each person	5,000.00
Bodily injury, each accident	10,000.00
Property damage, each accident	5,000.00
Owners' and Tenants' Liability:	
Bodily injury, each person	5,000.00
Bodily injury, each accident	10,000.00
Property damage, each accident	5,000.00

PART V. CHILD ACCOUNTING

A. Graduations from High School

Twenty-two students, as compared with twenty-six in 1956, and twenty-three in 1955, were graduated from Conant High School in June, 1957:

David G. Adams, Robert S. Bryant, Shirley L. Caron, Shirley H. Cote, Marjorie M. Crowner, David G. Doten, June Eaves, Melville L. Fernald, Ronald S. French, Walter W. Hautanen, Everett W. Johnson, Jr., Dennis A. Knowlton, John A. Letourneau, Peter J. Levins, Jr., Edward W. Lindgren, Gail C. Morin, Raymond F. Naylor, Willard W. Oja, Gerald J. Ouellette, Rose Marie Pelletier, James L. Reenstierna, and Dorothy A. Saveall.

Of these: eight are furthering their education in institutions of higher learning, which include: four year colleges, junior colleges, schools of nursing, and technical schools; five are enrolled in the Apprenticeship Training Program which is being conducted at the New Hampshire Ball Bearings, Inc., Peterborough, New Hampshire; two are in the Armed Forces; six are gainfully employed, and one is doing domestic work.

B. Statistics for the Year Ending June 30, 1957

		Total	320

GRAND TOTAL: 628

PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. Health

GENERAL HEALTH

The general health of Jaffrey pupils has been relatively good. There were only 54 cases of German measles and 33 cases of chicken-pox reported. Other contagious diseases were colds and stomach-intestinal upsets which made it necessary to transport 211 pupils home from school. This is our most difficult problem. Getting a sick child home from school interrupts other necessary routine work, and in case the mother is away working, it is sometimes hard to locate the parent or find a neighbor or relative willing to look after the child. Sending a half sick child to school for the nurse to inspect (and transport home) is dangerous for the child and exposes other pupils to the infection.

EXAMINATIONS AND INSPECTIONS

Dr. Franklin Sterling was reappointed school physician. He examines the pupils in the odd numbered grades each year and notifies parents to get necessary treatment from their own physicians, oculists or dentists. He also initiates necessary immunization programs and recommends school health policies.

The school nurse checks all the pupils for vision and hearing together with a general check up for obvious correctable conditions. She recommends follow up by the parents. This is now being done by mail with much more satisfactory results.

DENTAL CLINIC

A dental clinic, sponsored by the Jaffrey Woman's Club, was conducted with a limited budget. It enabled 36 pupils who could not receive complete dental corrections any other way to be done. This paid for 13 half days with 72 visits, 25 cleanings, 107 fillings, 30 extractions, and 13 X-rays. Dr. Raymond Moore did the work in his office. There were still many pupils left on the waiting list when the money was spent.

GLASSES

Those pupils who needed glasses and were unable to afford them were helped by the fund raised for the purpose by the Jaffrey Community League. Many pupils were fitted and showed a marked improvement in their school work.

SALK POLIO VACCINE

Most of the Jaffrey pupils have now had their 3 Salk Polio Vaccine shots. Dr. Sterling gave 715 shots during the year. A few pupils still need the remaining shots in the series. Opportunity for this will be arranged at an early date. Of the pupils unwilling to have this protection, most are of high school age.

ASIAN FLU

Jaffrey apparently had its run of Asian Flu early in the school year. At no time were enough pupils out to force closing of the schools. All school

personnel were immunized early so that the schools did not suffer from lack of people to keep them open.

PRE-SCHOOL REGISTRATION

In early June, two days were needed for the annual pre-school registration and examination, where 46 children were registered. At this time histories are taken on new pupils, birth certificates noted, record systems set up, class-room needs and school bus schedules figured. All registered children are checked for possible summer corrections or vaccinations, and an opportunity provided for these prospective pupils to become familiar with the school and the teachers, while parents are acquainted with school facilities, regulations, administrative personnel and school calendar. The chief benefits are less fear and confusion in the fall for these little people.

MEETINGS AND CONFERENCES

Professional meetings, conferences and workshops took 7 days time, several of these on Saturdays. Places of meetings were Peterborough, Manchester, Keene, Concord, Crotched Mountain, and Jaffrey.

SPECIAL WORK WITH PUPILS

Vision tests	710
Hearing tests	710
Inspections	4842
Heights	681
Weights	681
First aid and referrals	1592
Exams by nurse	710
Taken home ill	211
Successfully vaccinated	659
Chicken pox	33
German measles	54

CLINICS AND REFERRALS

Dental	92
Oculists	31
To physicians	113
Hospital	1
Salk polio vaccine	715
Vaccinated (small pox)	7
Orthopedic	3
Pre-school registration and exams	46
Visits to school rooms	1634
Visits to homes	473

Defects found — 0.9 per pupil	644
Defects corrected — 68% of defects	440
Without defect — 67% of pupils	444

RUTH S. LANGILLE, R. N.

B. Helping Teacher's Report, 1957

- I. Typical Activities of the Helping Teacher:
 - Classroom visits.
 - Conferences with teachers and principals.
 - Special group meetings with teachers and principals.
 - Conferences with parents.
 - School board meetings.

- II. Instructional Services Provided:
 - Distribution of free instructional aids.
 - Circulation of supplementary textbooks.
 - Interschool exchange of instructional ideas.
 - Individual testing of children for reading difficulties.
 - Distribution of professional books and periodicals.

- III. In-Service Training Programs Organized:
 - Science Workshop* — Three days. For all elementary teachers and principals in Jaffrey, Peterborough, Hancock, Dublin, and Rindge. Mr. Norman Harris of Science Park in Boston and Dr. John Read and Professor Pearl Nelson of Boston University. This is the first time Mr. Harris has participated in a program outside of the Museum of Science. Teachers evaluated the work they were doing in their own schools and then were shown how to build an elementary science curriculum which would be effective for children living in an advanced mechanical and atomic age. (March 1957).
 - Basis for Promotion* — One day. Training program for principals and teachers of Hancock, Dublin and Rindge. This program which was worked out with principals and teachers to help answer some of the questions which arise in the small schools also included work in the area of Parent-Teacher Conference Method of Reporting and Accumulative Records. (May 1957).

- IV. Instructional Bulletins:
 - An instructional bulletin was prepared and distributed monthly to principals, teachers, and school board members.

- V. Articles Published:
 - "Role of the Supervisor in Modern Education", American School Board Journal, February, 1957.
 - "Prescription For the Johnny Who Can't Read", Elementary English Journal of the National Council of Teachers of English, publication date, December, 1957.
